Dear Mr. Dunlap

We are pleased to announce the next workshop in the series “Beyond Science and Decisions,” which is continuing and expanding upon the discussion set forth by Science and Decisions: Advancement of Risk Assessment (NAS, 2009). The next workshop is scheduled for February 26 and 27, 2019, at the offices of Texas Commission on Environmental Quality in Austin, Texas. We have an exciting agenda to share with you at: https://tera.org/Alliance%20for%20Risk/TCE2018/Beyond_Science2018_Agenda.pdf.
